SUBMITTAL CHECKLIST

Check the list below to make sure you have everything, before turning in your plans. Making sure you have the following will save unnecessary delays in the review process.

Name of Applicant: _____

Address of Job: _____

Check list:

1. 2 Full Sets of Plans (includes site plan on each set). **Please include one reduced floor plan (not larger than 11 x 14, to be retained in permanent file)**
 - If submitting a townhouse plan, need one set per address and one master set with all addresses for city files
2. 2 Additional Site Plans (water & sewer lines must be on these sets)
3. 2 Sets of Truss Calculations
 - 3 if submitting townhouse plans or 1 per address and 1 for City files
4. 2 Sets of Beam Calculations
 - 3 if submitting townhouse plans or 1 per address and 1 for City files
5. 2 Copies of the Soils report (subdivision recommendations **or** site specific soils reports)
 - 3 if submitting townhouse plans or 1 per address and 1 for City files
6. 3 Copies of Residential or Commercial Check for IECC 2003 (Energy Code Summary 2005, Res-Check or Com-Check 2003) **or**
7. 3 Copies of Field Checklist (IECC 2003)

I, the applicant, understand that the above documents must be submitted before plan review will be done on this project.
