

August 27, 2013 – Press Release

## Reminder

What: Soil Gas Study Public Meeting

When: This evening August 27 at 6:00PM

Where: Holiday Inn at the corner of N-7<sup>th</sup> and Baxter Lane

Why: To provide:

1. Overview of the soil gas study
2. Explanation of sampling methods and results to date
3. Explain potential health risk
4. Describe mitigation measures
  - a. Sub-slab mitigation system design and installation
  - b. Landfill mitigation system design and installation
5. Outline next steps for additional sampling
  - a. Bridger Creek Phase 3
  - b. Bridger Creek Phase 2
6. Answer questions

We have noticed the meeting to indicate a quorum of the commission will be present; however this is not a public meeting of the commission. This is a public meeting that commissioners will be attending.
